BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MISSISSIPPI:

SECTION 1. Section 43-13-107, Mississippi Code of 1972, is amended as follows:

43-13-107. (1) The Division of Medicaid is created in the Office of the Governor and established to administer this article and perform such other duties as are prescribed by law.

(2) (a) The Governor shall appoint a full-time executive director, with the advice and consent of the Senate, who shall be either (i) a physician with administrative experience in a medical care or health program, or (ii) a person holding a graduate degree in medical care administration, public health, hospital administration, or the equivalent, or (iii) a person holding a bachelor's degree in business administration or hospital administration, with at least ten (10) years' experience in management-level administration of Medicaid programs. The executive director shall be the official secretary and legal custodian of the records of the division; shall be the agent of

the division for the purpose of receiving all service of process, summons and notices directed to the division; shall perform such other duties as the Governor may prescribe from time to time; and shall perform all other duties that are now or may be imposed upon him or her by law.

(b) The executive director shall serve at the will and pleasure of the Governor.

(c) The executive director shall, before entering upon the discharge of the duties of the office, take and subscribe to the oath of office prescribed by the Mississippi Constitution and shall file the same in the Office of the Secretary of State, and shall execute a bond in some surety company authorized to do business in the state in the penal sum of One Hundred Thousand Dollars (\$100,000.00), conditioned for the faithful and impartial discharge of the duties of the office. The premium on the bond shall be paid as provided by law out of funds appropriated to the Division of Medicaid for contractual services.

(d) The executive director, with the approval of the Governor and subject to the rules and regulations of the State Personnel Board, shall employ such professional, administrative, stenographic, secretarial, clerical and technical assistance as may be necessary to perform the duties required in administering this article and fix the compensation for those persons, all in accordance with a state merit system meeting federal requirements. When the salary of the executive director is not set by law, that

salary shall be set by the State Personnel Board. No employees of the Division of Medicaid shall be considered to be staff members of the immediate Office of the Governor; however, Section 25-9-107(c)(xv) shall apply to the executive director and other administrative heads of the division.

(3) (a) There is established a Medical Care Advisory Committee, which shall be the committee that is required by federal regulation to advise the Division of Medicaid about health and medical care services.

(b) The advisory committee shall consist of not less than eleven (11) members, as follows:

(i) The Governor shall appoint five (5) members, one (1) from each congressional district and one (1) from the state at large;

(ii) The Lieutenant Governor shall appoint three (3) members, one (1) from each Supreme Court district;

(iii) The Speaker of the House of Representatives shall appoint three (3) members, one (1) from each Supreme Court district.

All members appointed under this paragraph shall either be health care providers or consumers of health care services. One (1) member appointed by each of the appointing authorities shall be a board-certified physician.

(c) The respective Chairmen of the House Medicaid Committee, the House Public Health and Human Services Committee,

the House Appropriations Committee, the Senate Public Health and Welfare Committee and the Senate Appropriations Committee, or their designees, two (2) members of the State Senate appointed by the Lieutenant Governor and one (1) member of the House of Representatives appointed by the Speaker of the House, shall serve as ex officio nonvoting members of the advisory committee.

(d) In addition to the committee members required by paragraph (b), the advisory committee shall consist of such other members as are necessary to meet the requirements of the federal regulation applicable to the advisory committee, who shall be appointed as provided in the federal regulation.

(e) The chairmanship of the advisory committee shall be elected by the voting members of the committee annually and shall not serve more than two (2) consecutive years as chairman.

(f) The members of the advisory committee specified in paragraph (b) shall serve for terms that are concurrent with the terms of members of the Legislature, and any member appointed under paragraph (b) may be reappointed to the advisory committee. The members of the advisory committee specified in paragraph (b) shall serve without compensation, but shall receive reimbursement to defray actual expenses incurred in the performance of committee business as authorized by law. Legislators shall receive per diem and expenses, which may be paid from the contingent expense funds of their respective houses in the same amounts as provided for committee meetings when the Legislature is not in session.

(g) The advisory committee shall meet not less than quarterly, and advisory committee members shall be furnished written notice of the meetings at least ten (10) days before the date of the meeting.

(h) The executive director shall submit to the advisory committee all amendments, modifications and changes to the state plan for the operation of the Medicaid program, for review by the advisory committee before the amendments, modifications or changes may be implemented by the division.

(i) The advisory committee, among its duties and responsibilities, shall:

(i) Advise the division with respect to amendments, modifications and changes to the state plan for the operation of the Medicaid program;

(ii) Advise the division with respect to issues concerning receipt and disbursement of funds and eligibility for Medicaid;

(iii) Advise the division with respect to determining the quantity, quality and extent of medical care provided under this article;

(iv) Communicate the views of the medical care professions to the division and communicate the views of the division to the medical care professions;

(v) Gather information on reasons that medical care providers do not participate in the Medicaid program and

changes that could be made in the program to encourage more providers to participate in the Medicaid program, and advise the division with respect to encouraging physicians and other medical care providers to participate in the Medicaid program;

(vi) Provide a written report on or before November 30 of each year to the Governor, Lieutenant Governor and Speaker of the House of Representatives.

(4) (a) There is established a Drug Use Review Board, which shall be the board that is required by federal law to:

(i) Review and initiate retrospective drug use, review including ongoing periodic examination of claims data and other records in order to identify patterns of fraud, abuse, gross overuse, or inappropriate or medically unnecessary care, among physicians, pharmacists and individuals receiving Medicaid benefits or associated with specific drugs or groups of drugs.

(ii) Review and initiate ongoing interventions for physicians and pharmacists, targeted toward therapy problems or individuals identified in the course of retrospective drug use reviews.

(iii) On an ongoing basis, assess data on drug use against explicit predetermined standards using the compendia and literature set forth in federal law and regulations.

(b) The board shall consist of not less than twelve (12) members appointed by the Governor, or his designee.

(c) The board shall meet at least quarterly, and board members shall be furnished written notice of the meetings at least ten (10) days before the date of the meeting.

(d) The board meetings shall be open to the public, members of the press, legislators and consumers. Additionally, all documents provided to board members shall be available to members of the Legislature in the same manner, and shall be made available to others for a reasonable fee for copying. However, patient confidentiality and provider confidentiality shall be protected by blinding patient names and provider names with numerical or other anonymous identifiers. The board meetings shall be subject to the Open Meetings Act (Sections 25-41-1 through 25-41-17). Board meetings conducted in violation of this section shall be deemed unlawful.

(5) (a) There is established a Pharmacy and Therapeutics Committee, which shall be appointed by the Governor, or his designee.

(b) The committee shall meet * * * as often as needed to fulfill its responsibilities and obligations as set forth in this section, and committee members shall be furnished written notice of the meetings at least ten (10) days before the date of the meeting.

(c) The committee meetings shall be open to the public, members of the press, legislators and consumers. Additionally, all documents provided to committee members shall be available to

members of the Legislature in the same manner, and shall be made available to others for a reasonable fee for copying. However, patient confidentiality and provider confidentiality shall be protected by blinding patient names and provider names with numerical or other anonymous identifiers. The committee meetings shall be subject to the Open Meetings Act (Sections 25-41-1 through 25-41-17). Committee meetings conducted in violation of this section shall be deemed unlawful.

(d) After a thirty-day public notice, the executive director, or his or her designee, shall present the division's recommendation regarding prior approval for a therapeutic class of drugs to the committee. However, in circumstances where the division deems it necessary for the health and safety of Medicaid beneficiaries, the division may present to the committee its recommendations regarding a particular drug without a thirty-day public notice. In making that presentation, the division shall state to the committee the circumstances that precipitate the need for the committee to review the status of a particular drug without a thirty-day public notice. The committee may determine whether or not to review the particular drug under the circumstances stated by the division without a thirty-day public notice. If the committee determines to review the status of the particular drug, it shall make its recommendations to the division, after which the division shall file those

recommendations for a thirty-day public comment under Section 25-43-7(1).

(e) Upon reviewing the information and recommendations, the committee shall forward a written recommendation approved by a majority of the committee to the executive director, or his or her designee. The decisions of the committee regarding any limitations to be imposed on any drug or its use for a specified indication shall be based on sound clinical evidence found in labeling, drug compendia, and peer reviewed clinical literature pertaining to use of the drug in the relevant population.

(f) Upon reviewing and considering all recommendations including recommendations of the committee, comments, and data, the executive director shall make a final determination whether to require prior approval of a therapeutic class of drugs, or modify existing prior approval requirements for a therapeutic class of drugs.

(g) At least thirty (30) days before the executive director implements new or amended prior authorization decisions, written notice of the executive director's decision shall be provided to all prescribing Medicaid providers, all Medicaid enrolled pharmacies, and any other party who has requested the notification. However, notice given under Section 25-43-7(1) will substitute for and meet the requirement for notice under this subsection.

(h) Members of the committee shall dispose of matters before the committee in an unbiased and professional manner. If a matter being considered by the committee presents a real or apparent conflict of interest for any member of the committee, that member shall disclose the conflict in writing to the committee chair and recuse himself or herself from any discussions and/or actions on the matter.

SECTION 2. Section 43-13-121, Mississippi Code of 1972, as amended by House Bill No. 544, 2015 Regular Session, is amended as follows:

[Until July 1, 2015, this section shall read as follows:]

43-13-121. (1) The division shall administer the Medicaid program under the provisions of this article, and may do the following:

(a) Adopt and promulgate reasonable rules, regulations and standards, with approval of the Governor, and in accordance with the Administrative Procedures Law, Section 25-43-1.101 et seq.:

(i) Establishing methods and procedures as may be necessary for the proper and efficient administration of this article;

(ii) Providing Medicaid to all qualified recipients under the provisions of this article as the division may determine and within the limits of appropriated funds;

(iii) Establishing reasonable fees, charges and rates for medical services and drugs; in doing so, the division shall fix all of those fees, charges and rates at the minimum levels absolutely necessary to provide the medical assistance authorized by this article, and shall not change any of those fees, charges or rates except as may be authorized in Section 43-13-117;

(iv) Providing for fair and impartial hearings;

(v) Providing safeguards for preserving the confidentiality of records; and

(vi) For detecting and processing fraudulent practices and abuses of the program;

(b) Receive and expend state, federal and other funds in accordance with court judgments or settlements and agreements between the State of Mississippi and the federal government, the rules and regulations promulgated by the division, with the approval of the Governor, and within the limitations and restrictions of this article and within the limits of funds available for that purpose;

(c) Subject to the limits imposed by this article, to submit a Medicaid plan to the United States Department of Health and Human Services for approval under the provisions of the federal Social Security Act, to act for the state in making negotiations relative to the submission and approval of that plan, to make such arrangements, not inconsistent with the law, as may

be required by or under federal law to obtain and retain that approval and to secure for the state the benefits of the provisions of that law.

No agreements, specifically including the general plan for the operation of the Medicaid program in this state, shall be made by and between the division and the United States Department of Health and Human Services unless the Attorney General of the State of Mississippi has reviewed the agreements, specifically including the operational plan, and has certified in writing to the Governor and to the executive director of the division that the agreements, including the plan of operation, have been drawn strictly in accordance with the terms and requirements of this article;

(d) In accordance with the purposes and intent of this article and in compliance with its provisions, provide for aged persons otherwise eligible for the benefits provided under Title XVIII of the federal Social Security Act by expenditure of funds available for those purposes;

(e) To make reports to the United States Department of Health and Human Services as from time to time may be required by that federal department and to the Mississippi Legislature as provided in this section;

(f) Define and determine the scope, duration and amount of Medicaid that may be provided in accordance with this article and establish priorities therefor in conformity with this article;

(g) Cooperate and contract with other state agencies for the purpose of coordinating Medicaid provided under this article and eliminating duplication and inefficiency in the Medicaid program;

(h) Adopt and use an official seal of the division;

(i) Sue in its own name on behalf of the State of Mississippi and employ legal counsel on a contingency basis with the approval of the Attorney General;

(j) To recover any and all payments incorrectly made by the division to a recipient or provider from the recipient or provider receiving the payments. The division shall be authorized to collect any overpayments to providers thirty (30) days after the conclusion of any administrative appeal unless the matter is appealed to a court of proper jurisdiction and bond is posted. Any appeal filed after July 1, 2014, shall be to the Chancery Court of the First Judicial District of Hinds County, Mississippi. To recover those payments, the division may use the following methods, in addition to any other methods available to the division:

(i) The division shall report to the Department of Revenue the name of any current or former Medicaid recipient who has received medical services rendered during a period of established Medicaid ineligibility and who has not reimbursed the division for the related medical service payment(s). The Department of Revenue shall withhold from the state tax refund of

the individual, and pay to the division, the amount of the payment(s) for medical services rendered to the ineligible individual that have not been reimbursed to the division for the related medical service payment(s).

(ii) The division shall report to the Department of Revenue the name of any Medicaid provider to whom payments were incorrectly made that the division has not been able to recover by other methods available to the division. The Department of Revenue shall withhold from the state tax refund of the provider, and pay to the division, the amount of the payments that were incorrectly made to the provider that have not been recovered by other available methods;

(k) To recover any and all payments by the division fraudulently obtained by a recipient or provider. Additionally, if recovery of any payments fraudulently obtained by a recipient or provider is made in any court, then, upon motion of the Governor, the judge of the court may award twice the payments recovered as damages;

(l) Have full, complete and plenary power and authority to conduct such investigations as it may deem necessary and requisite of alleged or suspected violations or abuses of the provisions of this article or of the regulations adopted under this article, including, but not limited to, fraudulent or unlawful act or deed by applicants for Medicaid or other benefits, or payments made to any person, firm or corporation under the

terms, conditions and authority of this article, to suspend or disqualify any provider of services, applicant or recipient for gross abuse, fraudulent or unlawful acts for such periods, including permanently, and under such conditions as the division deems proper and just, including the imposition of a legal rate of interest on the amount improperly or incorrectly paid. Recipients who are found to have misused or abused Medicaid benefits may be locked into one (1) physician and/or one (1) pharmacy of the recipient's choice for a reasonable amount of time in order to educate and promote appropriate use of medical services, in accordance with federal regulations. If an administrative hearing becomes necessary, the division may, if the provider does not succeed in his or her defense, tax the costs of the administrative hearing, including the costs of the court reporter or stenographer and transcript, to the provider. The convictions of a recipient or a provider in a state or federal court for abuse, fraudulent or unlawful acts under this chapter shall constitute an automatic disqualification of the recipient or automatic disqualification of the provider from participation under the Medicaid program.

A conviction, for the purposes of this chapter, shall include a judgment entered on a plea of nolo contendere or a nonadjudicated guilty plea and shall have the same force as a judgment entered pursuant to a guilty plea or a conviction following trial. A certified copy of the judgment of the court of

competent jurisdiction of the conviction shall constitute prima facie evidence of the conviction for disqualification purposes;

(m) Establish and provide such methods of administration as may be necessary for the proper and efficient operation of the Medicaid program, fully utilizing computer equipment as may be necessary to oversee and control all current expenditures for purposes of this article, and to closely monitor and supervise all recipient payments and vendors rendering services under this article. Notwithstanding any other provision of state law, the division is authorized to enter into a ten-year contract(s) with a vendor(s) to provide services described in this paragraph (m). Notwithstanding any provision of law to the contrary, the division is authorized to extend its Medicaid Management Information Systems, including all related components and services, and Decision Support System, including all related components and services, contracts expiring on June 30, 2015, for a period not to exceed five (5) years without complying with the requirements provided in Section 25-9-120 and the Personal Service Contract Review Board procurement regulations;

(n) To cooperate and contract with the federal government for the purpose of providing Medicaid to Vietnamese and Cambodian refugees, under the provisions of Public Law 94-23 and Public Law 94-24, including any amendments to those laws, only to the extent that the Medicaid assistance and the administrative cost related thereto are one hundred percent (100%) reimbursable

by the federal government. For the purposes of Section 43-13-117, persons receiving Medicaid under Public Law 94-23 and Public Law 94-24, including any amendments to those laws, shall not be considered a new group or category of recipient; and

(o) The division shall impose penalties upon Medicaid only, Title XIX participating long-term care facilities found to be in noncompliance with division and certification standards in accordance with federal and state regulations, including interest at the same rate calculated by the United States Department of Health and Human Services and/or the Centers for Medicare and Medicaid Services (CMS) under federal regulations.

(2) The division also shall exercise such additional powers and perform such other duties as may be conferred upon the division by act of the Legislature.

(3) The division, and the State Department of Health as the agency for licensure of health care facilities and certification and inspection for the Medicaid and/or Medicare programs, shall contract for or otherwise provide for the consolidation of on-site inspections of health care facilities that are necessitated by the respective programs and functions of the division and the department.

(4) The division and its hearing officers shall have power to preserve and enforce order during hearings; to issue subpoenas for, to administer oaths to and to compel the attendance and testimony of witnesses, or the production of books, papers,

documents and other evidence, or the taking of depositions before any designated individual competent to administer oaths; to examine witnesses; and to do all things conformable to law that may be necessary to enable them effectively to discharge the duties of their office. In compelling the attendance and testimony of witnesses, or the production of books, papers, documents and other evidence, or the taking of depositions, as authorized by this section, the division or its hearing officers may designate an individual employed by the division or some other suitable person to execute and return that process, whose action in executing and returning that process shall be as lawful as if done by the sheriff or some other proper officer authorized to execute and return process in the county where the witness may reside. In carrying out the investigatory powers under the provisions of this article, the executive director or other designated person or persons may examine, obtain, copy or reproduce the books, papers, documents, medical charts, prescriptions and other records relating to medical care and services furnished by the provider to a recipient or designated recipients of Medicaid services under investigation. In the absence of the voluntary submission of the books, papers, documents, medical charts, prescriptions and other records, the Governor, the executive director, or other designated person may issue and serve subpoenas instantly upon the provider, his or her agent, servant or employee for the production of the books,

papers, documents, medical charts, prescriptions or other records during an audit or investigation of the provider. If any provider or his or her agent, servant or employee refuses to produce the records after being duly subpoenaed, the executive director may certify those facts and institute contempt proceedings in the manner, time and place as authorized by law for administrative proceedings. As an additional remedy, the division may recover all amounts paid to the provider covering the period of the audit or investigation, inclusive of a legal rate of interest and a reasonable attorney's fee and costs of court if suit becomes necessary. Division staff shall have immediate access to the provider's physical location, facilities, records, documents, books, and any other records relating to medical care and services rendered to recipients during regular business hours.

(5) If any person in proceedings before the division disobeys or resists any lawful order or process, or misbehaves during a hearing or so near the place thereof as to obstruct the hearing, or neglects to produce, after having been ordered to do so, any pertinent book, paper or document, or refuses to appear after having been subpoenaed, or upon appearing refuses to take the oath as a witness, or after having taken the oath refuses to be examined according to law, the executive director shall certify the facts to any court having jurisdiction in the place in which it is sitting, and the court shall thereupon, in a summary manner, hear the evidence as to the acts complained of, and if the

evidence so warrants, punish that person in the same manner and to the same extent as for a contempt committed before the court, or commit that person upon the same condition as if the doing of the forbidden act had occurred with reference to the process of, or in the presence of, the court.

(6) In suspending or terminating any provider from participation in the Medicaid program, the division shall preclude the provider from submitting claims for payment, either personally or through any clinic, group, corporation or other association to the division or its fiscal agents for any services or supplies provided under the Medicaid program except for those services or supplies provided before the suspension or termination. No clinic, group, corporation or other association that is a provider of services shall submit claims for payment to the division or its fiscal agents for any services or supplies provided by a person within that organization who has been suspended or terminated from participation in the Medicaid program except for those services or supplies provided before the suspension or termination. When this provision is violated by a provider of services that is a clinic, group, corporation or other association, the division may suspend or terminate that organization from participation. Suspension may be applied by the division to all known affiliates of a provider, provided that each decision to include an affiliate is made on a case-by-case basis after giving due regard to all relevant facts and circumstances. The violation, failure or inadequacy of

performance may be imputed to a person with whom the provider is affiliated where that conduct was accomplished within the course of his or her official duty or was effectuated by him or her with the knowledge or approval of that person.

(7) The division may deny or revoke enrollment in the Medicaid program to a provider if any of the following are found to be applicable to the provider, his or her agent, a managing employee or any person having an ownership interest equal to five percent (5%) or greater in the provider:

(a) Failure to truthfully or fully disclose any and all information required, or the concealment of any and all information required, on a claim, a provider application or a provider agreement, or the making of a false or misleading statement to the division relative to the Medicaid program.

(b) Previous or current exclusion, suspension, termination from or the involuntary withdrawing from participation in the Medicaid program, any other state's Medicaid program, Medicare or any other public or private health or health insurance program. If the division ascertains that a provider has been convicted of a felony under federal or state law for an offense that the division determines is detrimental to the best interest of the program or of Medicaid beneficiaries, the division may refuse to enter into an agreement with that provider, or may terminate or refuse to renew an existing agreement.

(c) Conviction under federal or state law of a criminal offense relating to the delivery of any goods, services or supplies, including the performance of management or administrative services relating to the delivery of the goods, services or supplies, under the Medicaid program, any other state's Medicaid program, Medicare or any other public or private health or health insurance program.

(d) Conviction under federal or state law of a criminal offense relating to the neglect or abuse of a patient in connection with the delivery of any goods, services or supplies.

(e) Conviction under federal or state law of a criminal offense relating to the unlawful manufacture, distribution, prescription or dispensing of a controlled substance.

(f) Conviction under federal or state law of a criminal offense relating to fraud, theft, embezzlement, breach of fiduciary responsibility or other financial misconduct.

(g) Conviction under federal or state law of a criminal offense punishable by imprisonment of a year or more that involves moral turpitude, or acts against the elderly, children or infirm.

(h) Conviction under federal or state law of a criminal offense in connection with the interference or obstruction of any investigation into any criminal offense listed in paragraphs (c) through (i) of this subsection.

(i) Sanction for a violation of federal or state laws or rules relative to the Medicaid program, any other state's

Medicaid program, Medicare or any other public health care or health insurance program.

(j) Revocation of license or certification.

(k) Failure to pay recovery properly assessed or pursuant to an approved repayment schedule under the Medicaid program.

(l) Failure to meet any condition of enrollment.

[From and after July 1, 2015, this section shall read as follows:]

43-13-121. (1) The division shall administer the Medicaid program under the provisions of this article, and may do the following:

(a) Adopt and promulgate reasonable rules, regulations and standards, with approval of the Governor, and in accordance with the Administrative Procedures Law, Section 25-43-1.101 et seq.:

(i) Establishing methods and procedures as may be necessary for the proper and efficient administration of this article;

(ii) Providing Medicaid to all qualified recipients under the provisions of this article as the division may determine and within the limits of appropriated funds;

(iii) Establishing reasonable fees, charges and rates for medical services and drugs; in doing so, the division shall fix all of those fees, charges and rates at the minimum

levels absolutely necessary to provide the medical assistance authorized by this article, and shall not change any of those fees, charges or rates except as may be authorized in Section 43-13-117;

(iv) Providing for fair and impartial hearings;

(v) Providing safeguards for preserving the confidentiality of records; and

(vi) For detecting and processing fraudulent practices and abuses of the program;

(b) Receive and expend state, federal and other funds in accordance with court judgments or settlements and agreements between the State of Mississippi and the federal government, the rules and regulations promulgated by the division, with the approval of the Governor, and within the limitations and restrictions of this article and within the limits of funds available for that purpose;

(c) Subject to the limits imposed by this article, to submit a Medicaid plan to the United States Department of Health and Human Services for approval under the provisions of the federal Social Security Act, to act for the state in making negotiations relative to the submission and approval of that plan, to make such arrangements, not inconsistent with the law, as may be required by or under federal law to obtain and retain that approval and to secure for the state the benefits of the provisions of that law.

No agreements, specifically including the general plan for the operation of the Medicaid program in this state, shall be made by and between the division and the United States Department of Health and Human Services unless the Attorney General of the State of Mississippi has reviewed the agreements, specifically including the operational plan, and has certified in writing to the Governor and to the executive director of the division that the agreements, including the plan of operation, have been drawn strictly in accordance with the terms and requirements of this article;

(d) In accordance with the purposes and intent of this article and in compliance with its provisions, provide for aged persons otherwise eligible for the benefits provided under Title XVIII of the federal Social Security Act by expenditure of funds available for those purposes;

(e) To make reports to the United States Department of Health and Human Services as from time to time may be required by that federal department and to the Mississippi Legislature as provided in this section;

(f) Define and determine the scope, duration and amount of Medicaid that may be provided in accordance with this article and establish priorities therefor in conformity with this article;

(g) Cooperate and contract with other state agencies for the purpose of coordinating Medicaid provided under this article and eliminating duplication and inefficiency in the Medicaid program;

(h) Adopt and use an official seal of the division;

(i) Sue in its own name on behalf of the State of Mississippi and employ legal counsel on a contingency basis with the approval of the Attorney General;

(j) To recover any and all payments incorrectly made by the division to a recipient or provider from the recipient or provider receiving the payments. The division shall be authorized to collect any overpayments to providers * * * sixty (60) days after the conclusion of any administrative appeal unless the matter is appealed to a court of proper jurisdiction and bond is posted. Any appeal filed after July 1, * * * 2015, shall be to the Chancery Court of the First Judicial District of Hinds County, Mississippi, within sixty (60) days after the date that the division has notified the provider by certified mail sent to the proper address of the provider on file with the division and the provider has signed for the certified mail notice, or sixty (60) days after the date of the final decision if the provider does not sign for the certified mail notice. To recover those payments, the division may use the following methods, in addition to any other methods available to the division:

(i) The division shall report to the Department of Revenue the name of any current or former Medicaid recipient who has received medical services rendered during a period of established Medicaid ineligibility and who has not reimbursed the division for the related medical service payment(s). The

Department of Revenue shall withhold from the state tax refund of the individual, and pay to the division, the amount of the payment(s) for medical services rendered to the ineligible individual that have not been reimbursed to the division for the related medical service payment(s).

(ii) The division shall report to the Department of Revenue the name of any Medicaid provider to whom payments were incorrectly made that the division has not been able to recover by other methods available to the division. The Department of Revenue shall withhold from the state tax refund of the provider, and pay to the division, the amount of the payments that were incorrectly made to the provider that have not been recovered by other available methods;

(k) To recover any and all payments by the division fraudulently obtained by a recipient or provider. Additionally, if recovery of any payments fraudulently obtained by a recipient or provider is made in any court, then, upon motion of the Governor, the judge of the court may award twice the payments recovered as damages;

(l) Have full, complete and plenary power and authority to conduct such investigations as it may deem necessary and requisite of alleged or suspected violations or abuses of the provisions of this article or of the regulations adopted under this article, including, but not limited to, fraudulent or unlawful act or deed by applicants for Medicaid or other benefits,

or payments made to any person, firm or corporation under the terms, conditions and authority of this article, to suspend or disqualify any provider of services, applicant or recipient for gross abuse, fraudulent or unlawful acts for such periods, including permanently, and under such conditions as the division deems proper and just, including the imposition of a legal rate of interest on the amount improperly or incorrectly paid. Recipients who are found to have misused or abused Medicaid benefits may be locked into one (1) physician and/or one (1) pharmacy of the recipient's choice for a reasonable amount of time in order to educate and promote appropriate use of medical services, in accordance with federal regulations. If an administrative hearing becomes necessary, the division may, if the provider does not succeed in his or her defense, tax the costs of the administrative hearing, including the costs of the court reporter or stenographer and transcript, to the provider. The convictions of a recipient or a provider in a state or federal court for abuse, fraudulent or unlawful acts under this chapter shall constitute an automatic disqualification of the recipient or automatic disqualification of the provider from participation under the Medicaid program.

A conviction, for the purposes of this chapter, shall include a judgment entered on a plea of nolo contendere or a nonadjudicated guilty plea and shall have the same force as a judgment entered pursuant to a guilty plea or a conviction following trial. A certified copy of the judgment of the court of

competent jurisdiction of the conviction shall constitute prima facie evidence of the conviction for disqualification purposes;

(m) Establish and provide such methods of administration as may be necessary for the proper and efficient operation of the Medicaid program, fully utilizing computer equipment as may be necessary to oversee and control all current expenditures for purposes of this article, and to closely monitor and supervise all recipient payments and vendors rendering services under this article. Notwithstanding any other provision of state law, the division is authorized to enter into a ten-year contract(s) with a vendor(s) to provide services described in this paragraph (m). Notwithstanding any provision of law to the contrary, the division is authorized to extend its Medicaid Management Information Systems, including all related components and services, and Decision Support System, including all related components and services, contracts expiring on June 30, 2015, for a period not to exceed five (5) years without complying with the requirements provided in Section 25-9-120 and the Personal Service Contract Review Board procurement regulations;

(n) To cooperate and contract with the federal government for the purpose of providing Medicaid to Vietnamese and Cambodian refugees, under the provisions of Public Law 94-23 and Public Law 94-24, including any amendments to those laws, only to the extent that the Medicaid assistance and the administrative cost related thereto are one hundred percent (100%) reimbursable

by the federal government. For the purposes of Section 43-13-117, persons receiving Medicaid under Public Law 94-23 and Public Law 94-24, including any amendments to those laws, shall not be considered a new group or category of recipient; and

(o) The division shall impose penalties upon Medicaid only, Title XIX participating long-term care facilities found to be in noncompliance with division and certification standards in accordance with federal and state regulations, including interest at the same rate calculated by the United States Department of Health and Human Services and/or the Centers for Medicare and Medicaid Services (CMS) under federal regulations.

(2) The division also shall exercise such additional powers and perform such other duties as may be conferred upon the division by act of the Legislature.

(3) The division, and the State Department of Health as the agency for licensure of health care facilities and certification and inspection for the Medicaid and/or Medicare programs, shall contract for or otherwise provide for the consolidation of on-site inspections of health care facilities that are necessitated by the respective programs and functions of the division and the department.

(4) The division and its hearing officers shall have power to preserve and enforce order during hearings; to issue subpoenas for, to administer oaths to and to compel the attendance and testimony of witnesses, or the production of books, papers,

documents and other evidence, or the taking of depositions before any designated individual competent to administer oaths; to examine witnesses; and to do all things conformable to law that may be necessary to enable them effectively to discharge the duties of their office. In compelling the attendance and testimony of witnesses, or the production of books, papers, documents and other evidence, or the taking of depositions, as authorized by this section, the division or its hearing officers may designate an individual employed by the division or some other suitable person to execute and return that process, whose action in executing and returning that process shall be as lawful as if done by the sheriff or some other proper officer authorized to execute and return process in the county where the witness may reside. In carrying out the investigatory powers under the provisions of this article, the executive director or other designated person or persons may examine, obtain, copy or reproduce the books, papers, documents, medical charts, prescriptions and other records relating to medical care and services furnished by the provider to a recipient or designated recipients of Medicaid services under investigation. In the absence of the voluntary submission of the books, papers, documents, medical charts, prescriptions and other records, the Governor, the executive director, or other designated person may issue and serve subpoenas instantly upon the provider, his or her agent, servant or employee for the production of the books,

papers, documents, medical charts, prescriptions or other records during an audit or investigation of the provider. If any provider or his or her agent, servant or employee refuses to produce the records after being duly subpoenaed, the executive director may certify those facts and institute contempt proceedings in the manner, time and place as authorized by law for administrative proceedings. As an additional remedy, the division may recover all amounts paid to the provider covering the period of the audit or investigation, inclusive of a legal rate of interest and a reasonable attorney's fee and costs of court if suit becomes necessary. Division staff shall have immediate access to the provider's physical location, facilities, records, documents, books, and any other records relating to medical care and services rendered to recipients during regular business hours.

(5) If any person in proceedings before the division disobeys or resists any lawful order or process, or misbehaves during a hearing or so near the place thereof as to obstruct the hearing, or neglects to produce, after having been ordered to do so, any pertinent book, paper or document, or refuses to appear after having been subpoenaed, or upon appearing refuses to take the oath as a witness, or after having taken the oath refuses to be examined according to law, the executive director shall certify the facts to any court having jurisdiction in the place in which it is sitting, and the court shall thereupon, in a summary manner, hear the evidence as to the acts complained of, and if the

evidence so warrants, punish that person in the same manner and to the same extent as for a contempt committed before the court, or commit that person upon the same condition as if the doing of the forbidden act had occurred with reference to the process of, or in the presence of, the court.

(6) In suspending or terminating any provider from participation in the Medicaid program, the division shall preclude the provider from submitting claims for payment, either personally or through any clinic, group, corporation or other association to the division or its fiscal agents for any services or supplies provided under the Medicaid program except for those services or supplies provided before the suspension or termination. No clinic, group, corporation or other association that is a provider of services shall submit claims for payment to the division or its fiscal agents for any services or supplies provided by a person within that organization who has been suspended or terminated from participation in the Medicaid program except for those services or supplies provided before the suspension or termination. When this provision is violated by a provider of services that is a clinic, group, corporation or other association, the division may suspend or terminate that organization from participation. Suspension may be applied by the division to all known affiliates of a provider, provided that each decision to include an affiliate is made on a case-by-case basis after giving due regard to all relevant facts and circumstances. The violation, failure or inadequacy of

performance may be imputed to a person with whom the provider is affiliated where that conduct was accomplished within the course of his or her official duty or was effectuated by him or her with the knowledge or approval of that person.

(7) The division may deny or revoke enrollment in the Medicaid program to a provider if any of the following are found to be applicable to the provider, his or her agent, a managing employee or any person having an ownership interest equal to five percent (5%) or greater in the provider:

(a) Failure to truthfully or fully disclose any and all information required, or the concealment of any and all information required, on a claim, a provider application or a provider agreement, or the making of a false or misleading statement to the division relative to the Medicaid program.

(b) Previous or current exclusion, suspension, termination from or the involuntary withdrawing from participation in the Medicaid program, any other state's Medicaid program, Medicare or any other public or private health or health insurance program. If the division ascertains that a provider has been convicted of a felony under federal or state law for an offense that the division determines is detrimental to the best interest of the program or of Medicaid beneficiaries, the division may refuse to enter into an agreement with that provider, or may terminate or refuse to renew an existing agreement.

(c) Conviction under federal or state law of a criminal offense relating to the delivery of any goods, services or supplies, including the performance of management or administrative services relating to the delivery of the goods, services or supplies, under the Medicaid program, any other state's Medicaid program, Medicare or any other public or private health or health insurance program.

(d) Conviction under federal or state law of a criminal offense relating to the neglect or abuse of a patient in connection with the delivery of any goods, services or supplies.

(e) Conviction under federal or state law of a criminal offense relating to the unlawful manufacture, distribution, prescription or dispensing of a controlled substance.

(f) Conviction under federal or state law of a criminal offense relating to fraud, theft, embezzlement, breach of fiduciary responsibility or other financial misconduct.

(g) Conviction under federal or state law of a criminal offense punishable by imprisonment of a year or more that involves moral turpitude, or acts against the elderly, children or infirm.

(h) Conviction under federal or state law of a criminal offense in connection with the interference or obstruction of any investigation into any criminal offense listed in paragraphs (c) through (i) of this subsection.

(i) Sanction for a violation of federal or state laws or rules relative to the Medicaid program, any other state's

Medicaid program, Medicare or any other public health care or health insurance program.

(j) Revocation of license or certification.

(k) Failure to pay recovery properly assessed or pursuant to an approved repayment schedule under the Medicaid program.

(l) Failure to meet any condition of enrollment.

SECTION 3. Section 43-13-117.3, Mississippi Code of 1972, which provides for a study on the implementation of a pilot program to provide bariatric surgery on the morbidly obese as a treatment option, is repealed.

SECTION 4. (1) As used in this section, the following terms shall be defined as provided in this subsection:

(a) "Medicaid planner" means an individual who provides Medicaid planning services to other individuals for compensation. However, this term does not include (i) individuals who are licensed attorneys engaged in the practice of law, or (ii) other individuals who are licensed to provide services that may include Medicaid planning services.

(b) "Medicaid planning" means any assistance provided to a potential Medicaid applicant in advance of and in preparation for their Medicaid application, in order to help the applicant apply for and obtain benefits from the Mississippi Medicaid program.

(2) Each Medicaid planner shall register annually with the Division of Medicaid and provide the following information about the planner to the division:

(a) The planner's place of business, physical address, mailing address, email address and other contact information;

(b) The planner's education level and the number of years that the planner has engaged in Medicaid planning;

(c) Whether the planner holds certification as a Certified Medicaid Planner; and

(d) Such other information as required by the Division of Medicaid.

(3) The Division of Medicaid shall provide the list of registered Medicaid planners and the information contained in the registrations to each local and regional Medicaid office in the state.

(4) The Division of Medicaid shall include a question on the application for Medicaid benefits asking if the applicant has used or is using the services of a Medicaid planner for compensation in the process of applying for Medicaid benefits, and the name and contact information of the Medicaid planner if one was used or is being used by the applicant.

(5) At the time of initial registration, each Medicaid planner shall file with the State Treasurer and have approved by the Secretary of State a surety bond in which the planner is the principal obligor, in the sum of One Hundred Thousand Dollars

(\$100,000.00) with one or more surety companies licensed to do business in this state whose liability in the aggregate will be equal to that sum. The bond shall be in favor of the State of Mississippi for the benefit of any individual for which the Medicaid planner has provided Medicaid planning services for compensation who suffers or incurs any loss, liability or damages by reason of acts of fraud, dishonesty, malfeasance or misfeasance of the planner or failure of the planner to provide the services as represented. Any individual claiming against the bond may maintain an action against the Medicaid planner and the surety.

(6) Any Medicaid planner who willfully fails to register with the Division of Medicaid or file a surety bond with the State Treasurer as required by this section is guilty of a misdemeanor and, upon conviction thereof, shall be punished by a fine of not more than Five Hundred Dollars (\$500.00) for the first violation and not more than Two Thousand Five Hundred Dollars (\$2,500.00) for the second and any later violations.

(7) This section shall stand repealed on July 1, 2017.

SECTION 5. The following provision shall be codified as Section 41-21-68, Mississippi Code of 1972:

41-21-68. (1) Regional commissions established under Section 41-19-31 et seq. are authorized to establish regional holding facilities for the treatment and holding of any person eighteen (18) years of age or older being held for the purpose of civil commitment.

(2) For the purpose of establishing regional holding facilities, each regional commission is authorized to create a holding facility fund and enter into holding facility cooperative agreements with counties both inside and outside the regional commission's designated region. Each county electing to use a regional holding facility may contribute to the regional commission's holding facility fund. The State of Mississippi may match the county's contribution by paying not more than Two Dollars (\$2.00) into the holding facility fund for each One Dollar (\$1.00) received from the counties, if sufficient funds are available.

(3) Crisis stabilization units operating and receiving state funds from the Department of Mental Health as of January 1, 2015, shall not be eligible for the holding facility state matching contributions provided for in this section. The matching funds provided for in this section shall only be allocated to holding facilities established under this section. Regional commissions requesting decertification of any such crisis stabilization unit to reestablish the unit as a regional holding facility under this section in order to be eligible for state matching contributions may do so only with the approval of the Department of Mental Health.

(4) Counties not contributing to a regional commission holding facility fund shall not be entitled to use of a holding facility. No patient shall be ordered by any court to a holding

facility established under this section if the county in which the commitment action is pending has not entered into a cooperative agreement with a regional commission and has not made a contribution to a regional commission holding facility fund.

(5) Holding facilities established under this section shall at a minimum comply with the operational standards for holding facilities established by the Department of Mental Health. Holding facilities may also seek designation and certification as a crisis stabilization unit, single point of entry, and other type of treatment facility so that they may receive reimbursement from the Division of Medicaid for eligible patients.

(6) Holding facilities and committing courts shall not remove persons from the holding facility unless the removal is for clinical purposes. Persons taken to a holding facility established under this section and any treatment professionals called as witnesses shall not be required to appear at the court's location for commitment proceedings, except when extraordinary circumstances are found and determined as reflected by a written order of the chancellor. For the purpose of civil commitment hearings, persons being committed and treatment professionals may participate through videoconferencing. Holding facilities established under this section shall have the capacity and ability to provide videoconferencing between the person being held, the committing court, and treatment professionals. Any attorney for the person being held shall be present at the location of the

person during videoconferenced hearings and shall have the ability to consult in private with the person.

(7) Holding facilities are authorized to provide any necessary treatment in person or through the use of videoconferencing between the person and the treatment professional.

(8) For purposes of public participation, jurisdiction and venue, the location of the commitment actions for persons being held at holding facilities established under this section shall be deemed to be the county of the committing court, even though the individual being committed and treatment professionals may be physically located in other jurisdictions when participating in any hearing through videoconference. The jurisdiction of the committing court and law enforcement officials transporting persons to holding facilities shall extend to other jurisdictions for the purpose of conducting hearings held by videoconferencing, and for the purpose of holding and transporting individuals to holding facilities established under this section.

(9) Persons being held or detained for the purpose of civil commitment shall not have a jail photograph or "mug shot" published, except as permitted under Section 41-21-97. Persons and businesses who publish those photographs shall immediately remove the photographs from publication, and destroy any and all copies of those photographs in their possession.

SECTION 6. This act shall take effect and be in force from and after July 1, 2015.
